

About Doyon Foundation

Doyon Foundation was established in 1989 by Doyon, Limited, the regional Native corporation for Interior Alaska. As the private foundation for Doyon, Limited, we serve the educational and cultural needs of Doyon's shareholders and their children.

As a 501(c)(3) charitable organization, our mission is to provide the highest level of support to shareholders and their children by providing post-secondary scholarships that include basic, competitive and vocational; advancing traditional Native knowledge; and increasing Native student performance levels.

About the Classic

The Morris Thompson Memorial Golf Classic was established by Doyon Foundation in honor of the late Morris Thompson. Proceeds from the classic support the Morris Thompson Scholarship Fund, an endowed fund benefitting higher education students studying business management and leadership.

With the generous support of our golfers and sponsors, we look forward to continuing this successful scholarship program well into the future.
