About the Classic: The Morris Thompson Memorial Golf Classic was established by Doyon Foundation in honor of the late Morris Thompson, who served as the president/CEO of Doyon, Limited from 1985 until his passing in 2000. Proceeds from the classic support the Morris Thompson Scholarship Fund, an endowed fund benefitting higher education students studying business management and leadership.

“The funding I have received from the Doyon Foundation has helped offset the cost of my education. When I am done with medical school, I know that I will be able to choose a specialty in medicine not based on potential for future earnings, but rather a specialty I know I will enjoy, which will allow me to give back to the community.”

- Monty Hawkins, medical student, Morris Thompson scholarship recipient
