In a degree-seeking program?

If you are an eligible student in a degree-seeking program, check out our part-time, full-time and competitive awards! We also offer a Kickstart scholarship for high school students taking college credit.

See doyonfoundation.com/scholarships for additional details on available scholarships, eligibility and the application process. And if you have questions, please contact us at 907.459.2049 or scholarships@doyon.com.

How do I apply?

The application process for non-degree-seeking students is the same as all other Foundation students. Applications are accepted online through the Foundation's scholarship portal at doyonfoundation.com/apply. Note that first-time applicants will need to create a new account, and that it can take up to three business days to verify a student's shareholder status.

What do I need to apply?

For the Level Up scholarship, applicants must submit:

- Completed online application
- Signed release and consent form
- Original transcripts from the last school attended or GED scores
- Proof of academic enrollment (must show enrollment, cost of the course/training and credits received)

When is the application deadline?

Unlike our part-time, full-time and competitive awards, which have set deadlines, students can apply anytime during the year for a Level Up scholarship. Level Up scholarships are awarded year-round on a first-come, first-served basis, and students are eligible to receive one per academic year.
